THE HOLY TRINITY

Sunday 16th June 2019

In the coming weeks we will gather in the cemeteries of the parish to pray for and remember loved ones who have "gone before us, marked with the sign of faith."

Cemeteries are sacred places, holy grounds that hold the remains of the faithful departed who await the resurrection on the last day.

We show our respect for the dead by caring for their graves and gathering as a community of faith to pray for them.

As cemetery devotions approach, a word of thanks to plot holders and volunteers who have been preparing and tidying up their family plot and the surrounding grounds. A gentle reminder to please remove from the cemetery and dispose responsibly of all grass cuttings, withered flowers or wreaths. If there is a neighbouring grave which is no longer tended by a family, it would be a lovely act of charity to tidy it up.

Times and dates of devotions are given below, please notify any family members who live away from the parish of these details.
