St Carlo Acutis - Patron of the Digital Age

3rd May 1991–12th October 2006

you have given us St Carlo Acutis as an example of holiness in the digital age.

Through his intercession,

help us to use technology wisely,

to show love and compassion to others,

and to grow ever closer to you. Amen.

The Irish Synodal Pathway: has discerned one main focal point and seven key priority areas after its extensive consultation process. The focus that emerged is the centrality of Baptism as the foundation of the Christian life and mission, and the key to the vitality of communities of faith. The seven key priority areas are Belonging, Co-responsibility and Lay Ministry, Family, Formation and Catechesis, Healing, Women, and Youth. There is a clear call for renewal. Above all, God is asking the Church to adopt through the synodal process, a permanent culture of prayerful listening, dialogue, and walking together in faith going forward.
